

# Side Effects Of Cancer Therapies

## Chemotherapy, Hormonal Therapy, & Immunotherapy

Robert P. Fein, MD will present on  
**Tuesday, October 18th, 2022 from 7:00-8:00pm**

A better understanding of cancer-related conditions and how they can be managed is possible. Taught by Astera Cancer Care specialists and other local medical experts, our online presentations address some of the most pertinent areas in cancer treatments and advancements.

If you or a loved one is affected by cancer in any way, we welcome and encourage your attendance. To register for this online event, go to [tinyurl.com/Fein2022](https://tinyurl.com/Fein2022) and have your smartphone, tablet, or computer handy as well as reliable internet access. Once registered, we'll send you a link with additional instructions. We look forward to your attendance!

### Discussion topics include:

- Addressing the side effects of
  - Chemotherapy
  - Hormonal Therapy
  - Immunotherapy
- What to look for
- How we can lessen these toxicities
